

A Fruit That Will Remain

John 15

Jeremy and Caroline Dion

1. Our life is found in Je - sus, the true and liv - ing Vine.
2. The Fa - ther prunes the branch - es, gives each His watch - ful care.
3. We must a - bide in Je - sus, He gives us warn - ing, too.
4. So prove Christ's true disc - i - ple, and make His will your own.

We grow in Him as branch - es Joined in His life Di - vine.
His words ma - ture and cleanse us, More fruit we are to bear.
No branch whose life is fruit - less Lives in the Vine that's true.
Through pray - ing to the Fa - ther A - bun - dant fruit will grow.

Bear fruit, more fruit; you are cho - sen for the glo - ry of His name.

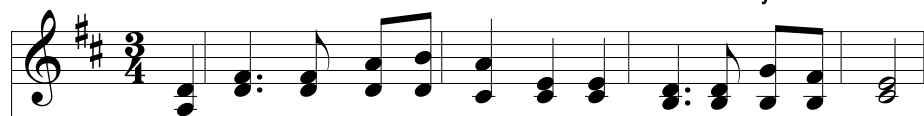

Bear fruit, more fruit; you are sent to bear a fruit that will re - main.
